

SUPERHERO MISSION #1

Step 1

Zookeeper Clyde needs your help! Get to the zoo right away! But before you do, choose a gray, focus card to activate your superpowers.

Step 2

At the zoo, Clyde says a monkey has escaped. He needs help getting the monkey back in his cage. You spot the monkey at the snack stand, and he starts throwing food. Draw a coordination card to dodge the food!

Step 3

Oh no! The monkey escapes the zoo and climbs a tree in a nearby park. Draw a strength card to climb after the monkey!

Step 4

You see the monkey out on a limb. Grab a balance card to walk toward the end of the limb to grab the monkey!

Step 5

The monkey jumps off the tree before you could grab him! He runs away out of sight. Choose a strength card to get down from the tree.

Step 6

Draw a focus card to think about your next steps. (Pause for child to use the card) Your focusing paid off, you have an idea! You're going to set a trap. You go to a store to get some bananas.

Step 7

You head to the zoo, leaving a trail of bananas behind you. The monkey falls for the trap. He's eating the bananas & getting closer! Draw a coordination card to grab the monkey.

Step 8

You've caught the monkey! Zookeeper Clyde is so grateful. You've saved the day—strike a superhero pose!
